Ref.-Edition: -

Infrastructure (FCM, HSE and Security)

Replacement for
ZA 08680 : 2011-02-24

Amendments

Compared to ZA 08680 : 2011-02-24 the following modification was carried out:

a) ZA 08680-ANH : 2011-02-24 withdrawn (unmodified take-over of the RB N 2580-1 Appendix at DC)

1 Subject

This Central Department Directive is an unmodified take-over of the Central Directive “RB-Norm N2580 Prohibition and Declaration of substances” of the Robert Bosch GmbH.

Editor of the Central Directive is the Corporate Department for “Health, Safety, Environmental and Fire Protection” (C/PS) of Robert Bosch.

RB Directive: [RB-Norm N 2580 “Prohibition and Declaration of substances”](#)

Note: The current edition by RB-Intranet is valid.

Bosch standard: [Prohibition and Declaration of substances](#) (N 2580-1)

[Prohibition and Declaration of substances – Bosch-in-house part](#) (N 2580-INT)

Appendix: [Supplier declaration](#) (N 2580-1 Appendix)

Deviating from the original Central Directive of Robert Bosch it applies that:

- a) With references to Corporate Office of Robert Bosch, the Central Departments of DC have to be addressed from which the coordinations/decisions demanded in the directive with the Corporate Departments of Robert Bosch are caused.
- b) With references to the responsible sales authority the responsible product management has to be addressed.

2 Scope

This Central Department Directive is binding for Bosch Rexroth AG (including indirect assigned companies), its subsidiaries and country units. In case of necessary consideration of country specific laws the directive has to be applied correspondingly.

For affiliated companies it is recommended to adopt the directive by own resolution correspondingly.

3 Responsibilities

The Department “Health, Safety and Environment” (DC/HSE) is responsible for updating and the content of this Central Department Directive.
